Mr. Nigam made a motion to approve the licensees as written; seconded by Dr. Milne, who added Special Licenses will be effective on July 1, 2021. There being no discussion, the Board approved licensure.

- V. +CONSIDERATION OF APPLICATION FOR FULL LICENSURE FOR PHYSICIAN ASSISTANT JAVIER AVILA, PA-C, (Discussion/For Possible Action/Board may go into closed session pursuant to NRS 241.030 to move to a closed session because the discussion will have to do with this applicant's character, alleged misconduct, professional competence, or similar items). Ronald Hedger, D.O., President**

PA Avila did not appear at the meeting. Dr. Hedger and Mr. Ling provided a brief summary of PA Avila's previous license history with the Board. Dr. Milne made a motion to table the item to next month's meeting, and if PA Avila does not appear again his application may be denied; seconded by Dr. Mausling. The motion was approved, with Dr. Almaguer opposed.

- VI. CONSIDERATION/ACTION OF LEGISLATIVE BILLS, (Discussion/For Possible Action) Ronald Hedger, D.O., President**

Ms. Fisher indicated there were no new bills to take action on, as the bill submittal deadline had passed. Two bills the Board opposes-Senate Bills 326 and 335-remain active. There has been a lot of opposition to SB326 (telehealth practice without a formal license); and, it appears the bill may not move forward. There was much opposition to SB335 as well. The bill had a large fiscal note, and does not seem likely to pass, either. A few bills addressing data collection were amended to remove the penalty for not providing the data. Ms. Fisher continues to monitor the status of other bills.

- VII. EXECUTIVE DIRECTOR'S REPORT**

- a. *Financial Statements* – Accountants provided a compilation of financials from July 1, 2020 to present. Ms. Reed stated she will submit the 2021-2022 fiscal year budget at the June Board Meeting.
- b. *Licensing* – Staff are busy with initialing licensing and resident applications. 90 licenses pending.
- c. *Other* – Per Governor Sisolak's Directive 44, in-person public and Board meetings will resume as of June 1st.

- VIII. LEGAL REPORT (Discussion/For Possible Action) by Louis Ling, Board Counsel and/or Justin Taruc, Deputy Attorney General**

Mr. Ling updated the Board on the Supreme Court case appeal from a former Board employee. The former employee's attorney filed the appeal brief, but it was not filed correctly. The Attorney General's Office will be filing a response to the brief on the Board's behalf. A decision is not expected until later this year.

- IX. LEGISLATIVE UPDATE (Discussion/For Possible Action) by Susan Fisher, Board Government Affairs/Lobbyist.**

No update.

- X. ITEMS FOR FUTURE DISCUSSION/ACTION/UPCOMING AGENDA**

No items.

- XI. PRESIDENT'S REPORT on Board Business, Ronald Hedger, D.O., President**

Dr. Hedger thanked Dr. Almaguer for running last month's meeting. Dr. Mausling and Dr. Almaguer provided updates on the FSMB meeting they attended. Dr. Milne noted that there has been an increase in the number of new residents coming to Nevada to practice. Dr. Perlotto was pleased to see the large number of new residents. Dr. Hedger commended Dr. Milne on his many years of hard work for the Valley Hospital residency program.

- XII. PUBLIC COMMENT**
